Remarks/Arguments

Responsive to the Restriction Requirement set forth in the Office Action dated October 1, 2008, Applicants hereby select the claims of group I, that is, claims 1-6. Additionally, Applicants have added a set of claims directed to a method of connecting an electrical device to a network containing a watchdog device. The features recited in claims 19-26 correspond to those of claims 1-6 written in method form. No new matter is believed to be added by the present amendment.

Please charge the fee of \$972 for the newly added 6 claims, one being independent, and any other fees that may be due, to Deposit Account No. 07-0832.

Respectfully submitted,

SYLVAIN CHEVREAU ET AL.
